NEW ASSOCIATE OPPORTUNITY

We are seeking a physician to take over an existing, long-standing practice (min. 2 year committment) and work in a family practice based, privately-owned, medical clinic.

ABOUT OUR CLINIC

- **We are a youthful, vibrant & supportive group consisting of 5 practices & 6 staff members.**
- **You will find yourself working in a modern, fully furnished, well established clinic.**
- **Each physician has their own office, 2 exam rooms and a shared procedure room.**
- **We have an in-house NP, LPN's, dietician, social worker, mental health clinicians, respiratory therapist, pharmacist and home care support who work alongside to provide team-based care together.**

REMUNERATION

- Hourly rate = **$240.00/hour**
- The remuneration for regular clinic hours worked (3 - 4.5 days/week) = **$20,160 - $30,720 monthly.** There is flexibility to see patients in-person and some virtually.
- Physicians are also paid an extra 1.5 hours ($360.00) each weekday to compensate for admin related tasks equating to an additional **$7200.00/month**, paid on top of regular clinic hours worked
- Remuneration is TAKE-HOME. There is **no overhead payable or split due, with no expenses deducted** from physicians
- Physicians are paid consistently via direct deposit every 2 weeks The clinic operates on an alternate payment model, namely Population Based Funding
- Full-time Associate physicians are provided 8 weeks unpaid vacation each year as well as an additional 2 weeks unpaid leave for CME if needed.
- There is opportunity to generate extra revenue through services performed outside the clinic such as ER, OR, Prenatal, Hospital Inpts, Anesthetics, etc. This is all billed privately and physicians keep 100% of these earnings
- There are also **additional bonuses** provided by local Health Authority including a **$20,000 recruitment incentive** and **relocation funding** of **$9,000** for GP's moving within BC and **$12,000** for GP's moving within Canada.
- Accommodation and other supports may be available through local Divisions. Please inquire directly with North Peace Division of Family Practice for more information

ABOUT FORT ST JOHN

- With a population of 23,000 and growing Fort St. John is the largest city in Northeastern BC with daily direct flights to global-hub airports Vancouver & Calgary.
- You can enjoy a variety of activities from camping, hiking, golfing, pickleball, tennis, baseball, fishing and lakeside fun in the summer - to sledding, ice fishing, hockey and cross-country skiing in the winter.
- The city supports a robust theatre and arts community along with an indoor speed skating track, running track, soccer field, three hockey rinks, indoor pool and curling rink.
- Fort St. John has a newly built hospital and care home facility, 4 mins from the clinic. We have in-town specialists including general surgery, internal medicine, OB/GYN, psychiatry, orthopedics, pediatrics plus a visiting specialist clinic including dermatology, ophthalmology, and rheumatology. There are also various other specialists available within the region of Northern BC.
